## **About This Software**

PowerDVD is the must-have companion for PCs and home entertainment systems. It's packed with unique movie, music and photo features indispensable for creating an unbeatably immersive sight & sound experience. And for people looking to create a cinema feel in their own homes, PowerDVD now has world-first technology essential to maximize the potential of your 4K and HDR TVs!

## **Always on Top Mini View**

Never miss a moment of your favorite shows while multitasking. Always keep track of your video screen with a new minimized interface.

**Experience Better-Than-Original Quality with TrueTheater®**

*TrueTheater® Color*

Intelligently analyzes video footage and optimizes hues and vibrancy, creating a true-to-life viewing experience.

*TrueTheater® Sound*

Enjoy a richer, fuller audio environment by enhancing bass, vocal range, reverb and boosting volume.

### **Cinema Quality Audio Playback**

For a truly immersive movie experience you need exceptional audio. PowerDVD supports master-quality sound technology from the leaders in professional digital audio—Dolby and DTS.

### ***RAW Format Support***

No need to convert before you enjoy, with full RAW file playback support.
