### A Tale of Heartless Horror

*As the PCs make their way through rugged territory claimed by warlike barbarian clans, they discover a frontier garrison surrounded by a corpse-strewn battlefield. Hero's Blood is a Pathfinder Roleplaying Game adventure for 4 to 6 10th-level characters. It can be run as a standalone wilderness adventure or tied into an ongoing campaign dealing with warfare or clashes between a corrupt colonial city and the tribes of the hinterlands and is an ideal complement to the official "Red Queen Adventure Path," easily connecting to the fourth adventure in that series. This adventure deals with the theme of corruption of the mind, body, and soul, using the corruption rules presented in Pathfinder Roleplaying Game Horror Adventures, to bring an extra element of terror to PCs as they uncover acts of carnage and cruelty that are even more sinister than they appear. If you want to bring home the horrors of war to your PCs, open up the pages of this terrible tale stained crimson with blood and **Make Your Game Legendary!**
